

GENERAL INFORMATION

a) The internal and external administration of the school shall be conducted in French including oral and written communication to students, staff and parents. All general and/or group meetings shall be conducted in French*.

*Some schools may choose to have special parent committees who may translate written external communications on request, to facilitate communications with English-speaking parents. Parents may phone the school principal whenever they wish, if they need clarification.

b) Verbal communication on a one-to-one basis may be conducted in French or in English in matters concerning his/her child.

c) Parents, making the request, will be interviewed by the admissions committee of the local school.

d) The child will receive French language programming at his/her level.

e) Progress reports on the child's development will be conducted in accordance with the evaluation mechanism set up by the school's French programming, and will be discussed on a regular basis with the parents.

f) All students will be expected to take part in cultural activities, the cultural component being an important part of the curriculum.

CONSENTEMENT

Having read the above information and being in agreement with its content and, after careful consideration of the goal of "l'école française", and being fully aware of the commitment required by myself as a parent and my child as a student.

I request that the Division scolaire franco-manitobaine provide my child named with public instruction in the French language; I declare that the information I provided on this form is true and exact and I am prepared to provide any information the Division scolaire franco-manitobaine may request.

N.B. PLEASE READ CAREFULLY BEFORE SIGNING YOUR REQUEST

The Division scolaire franco-manitobaine has been set up to govern the "écoles françaises" of Manitoba which offer French-language instruction to students whose first language is French and to those students whose parents' first language is French. Accordingly, one of the primary goals of these schools, along with high quality education, is to preserve and promote the language and culture of their students and to make them aware and proud of their identity. In order to accomplish the above, specific rules and programs will be followed concerning the use of the French language in the school.
