

June 19, 2020

Dear parents and legal guardians:

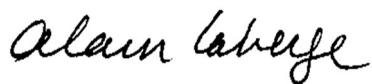

The end of the school year is fast approaching and although the COVID-19 pandemic seems to be controlled within the province, school divisions have not yet received pertinent information regarding the return to school in September.

The DSFM has prepared five possible scenarios for the return in September which include the distancing guidelines requested by the Chief Provincial Public Health Officer in order to be prepared once the instructions are received from the Ministry of Education. We understand that there are presently more questions than there are answers and for that, we apologize. We are working intensively to provide you with details as soon as we receive them.

Regardless of the Ministry's next instructions, a letter containing further details will be sent to you next week.

We sincerely apologize for this expectation that is out of our control and we thank you for your support and collaboration during this pandemic which requires us to adapt quickly.

Respectfully,

Superintendent

AL/am
